

It is my pleasure and honor to recommend Alexander Ichev. I have worked with Alexander for 1 year as his Director at Apollonia Casino, where he used his excellent skills to deliver spectacular results in the role of receptionist. I am confident that Alexander's exceptional skills, professional experience, and personal qualities will make him a powerful asset at your company.

As a receptionist, Alexander constantly demonstrated an extensive knowledge of guest services techniques, as well as superb communication skills. Moreover, his uncanny ability to facilitate clear communication between different teams and departments ensured misunderstandings were few and far between.

What's more, Alexander's extraordinary focus and strategic way of thinking always made him a stand-out member of the team. Whenever there are problems or flaws in the production process, he showcases his superb analytical qualities to quickly identify the issue and deal with it before it can become too serious.

Alexander has my highest recommendation for any position in your company. I have no doubt he will make a strong addition to your team. Please feel free to contact me if you have any questions regarding his candidacy or past work.

Sincerely,

Yannis Fournarakis
